Courtney Milan's critically acclaimed and New York Times bestselling Turner series is now available in one boxed set. This set contains three full-length books and a novella. Unveiled: When Ash Turner heads to Parford Manor to survey the dukedom he believes he has won from an old enemy, he's not counting on Lady Margaret, the duke's daughter, who has sworn to foil him at every turn. Unlocked: Elaine Warren has resigned herself to life as a spinster and a wallflower, but when Evan Carlton, the Earl of Westfeld, returns after a long absence, she's afraid that he plans to torment her as he did before. This time, though, she vows to show him that wallflowers can fight back... Unclaimed: Sir Mark Turner wrote the book on chastity—literally. Who better to bring him to ruin, then, than Jessica Farleigh, the courtesan hired to destroy his reputation? Unraveled: Smite Turner is dedicated to his duty as magistrate, and he'll stick to it...no matter how harsh he must be with the woman who shows up in his courtroom in disguise. This is an enhanced ebook. In addition to the text of the book itself, it contains pictures, audio, and author commentary. You can read this enhanced ebook on any device, but the audio content may not be accessible on all ereaders. From New York Times bestselling author Courtney Milan... Smite Turner is renowned for his single-minded devotion to his duty as a magistrate. But behind his relentless focus lies not only a determination to do what is right, but the haunting secrets of his past—secrets that he is determined to hide, even if it means keeping everyone else at arm's length. Until the day an irresistible woman shows up as a witness in his courtroom... Miranda Darling isn't in trouble...yet. But she's close enough that when Turner threatens her with imprisonment if she puts one foot wrong, she knows she should run in the other direction. And yet no matter how forbidding the man seems on the outside, she can't bring herself to leave. Instead, when he tries to push her away, she pushes right back—straight through his famous self-control and into the heart of the passion that he has long hidden away... Unraveled is a full length novel at 95,000 words.

Jessica Farleigh is desperate. She's a courtesan, and when she's asked to seduce Sir Mark and destroy his good name in exchange for enough money to solve all her problems, she agrees. There is, after all, no such thing as a good man, and she should know. She's known men all her life. Sir Mark Turner wrote the book on male chastity—literally—and made a name for himself as an upright moralist. But he's also a romantic, and he's been waiting for the right woman to share his life, his heart, and yes, his bed. Jessica can't fall in love with him. She can't let herself respect him. And by the time she realizes she's in love with him, it's too late. The only way to win the freedom she needs is to destroy the most honorable man she's ever met. Note: This book was originally released in 2011. This is a rerelease with an added epilogue.

Of all Ash Turner's accomplishments, stealing a dukedom from his old enemy is by far the most brazen. Now that he's been recognized as the heir, nothing remains but to head to Parford Manor and survey the estate that will be his. He expects opposition. He gets Lady Margaret. Margaret lost everything when Ash claimed the dukedom: her dowry, her legitimacy, and her place in society. Now Ash wants to take her family home, too. She disguises herself as a nurse, determined to learn his weaknesses. But the closer she comes to Ash, the greater the pull of his reckless charm. If she wants to reclaim what she has lost, her only choice is to betray the man she is beginning to love... This is an enhanced ebook. In addition to the text of the book itself, it contains pictures and audio. You can read this enhanced ebook on any device, but the audio content may not be accessible on all ereaders. That content has been made available on the web, so you won't miss anything if your device doesn't support audio. Unveiled is the first book in the Turner series. The full series is: - Unveiled - Unlocked, a companion novella - Unclaimed - Unraveled

A perpetual wallflower destined for spinsterhood, Lady Elaine Warren is resigned to her position in society. So when Evan Carlton, the powerful, popular Earl of Westfeld, singles her out upon his return to England, she knows what it means. Her former tormenter is up to his old tricks, and she's his intended victim. This time, though, the earl is going to discover that wallflowers can fight back. Evan has come to regret his cruel, callow past. At first, he only wants to make up for past wrongs. But when Elaine throws his initial apology in his face, he finds himself wanting more. And this time, what torments him might be love... Note: Unlocked is a novella of 28,000 words. This is the large print edition (18 point Helvetica font).

A mysterious woven metal artifact is found at a paleontological dig in Africa. Mystified experts, confounded by the impossible timeline they get from traditional dating methods, call upon a stubborn nineteen-year-old with a unique talent. Matthew Turner's gift is also his curse: When he touches any object, his awareness is flooded with the thoughts and feelings of those who touched it before him. It is a talent that many covet, some fear, and almost no one understands. Despite being exploited as a child and tormented by the unpleasant experiences imprinted on him from the various items he has "read," Matthew agrees to travel from New York to the forests of Kenya. There, threatened by unknown enemies and helped by a beautiful but prickly ally who begins to understand his strange ability, he journeys back in geological time to make a discovery so shocking that it forces us to rewrite all human history.
