You ' re a Super Hero! Imagine what it would be like to be the strongest person in the world. Or the smartest. Or the most powerful. You ' ll meet these kinds of super heroes in The Super Heroes Bible. The best part of all is, they ' re not make-believe. These super heroes really lived. And as you read about their amazing adventures, and some truly nasty villains they faced, you ' ll learn how you can become like them. The Super Heroes Bible takes you back through time into an incredible world of giants and giant-slayers, kings and commanders, miracles and mysteries. Team up with the Bible ' s mightiest heroes as they head toward glorious victories—and sometimes crushing defeats. Using the special Super Hero Decoder, you can crack the codes of honor that drove Moses, Elijah, and other heroes, and then use those codes in your own life. More than 200 character sketches tell you the stories of Bible men, women, and kids from Genesis to Revelation—including a few of the bad ones! Learn what to do, and what not to do, in order to be a faith hero. You and your friends will have fun playing the all-new Super Heroes Bible Quiz, packed with fun questions that will help you remember important info about your favorite heroes. You ' ll find a whole lot more features in this Bible all designed to help you power up. Because the coolest thing of all is, YOU can become a hero of the faith. Start reading and find out how. Comic books. Movies. Video games. You think super heroes are only found there? Think again. The NIrV Super Heroes Bible is packed with ordinary people that were zapped by God into super hero status. The complete text of the New International Reader's Version® (NIrV) is written at a third grade reading level and packed with features that will motivate kids to be one of God ' s Super Heroes. Features include: Character Profiles: more than 200 character sketches show kids how to be a hero of faith. Cool Codes: use the Super Hero Decoder to crack the codes of honor of Moses, David, and other Bible super heroes. Check out the decoder key on the back cover of this Bible. 40 Full-Color Pages: action-packed illustrations by Dennis Jones. Game: Super Heroes Bible Quiz challenges kids on how well they know their favorite Bible super heroes. 450 Powersurge Notes: highlight Bible verses that show character traits like Brave, Truthful, and Wise. 66 Book Introductions: summarize the super hero impact of each book of the Bible. Indexes: topical and subject indexes help kids find all the special features and themes in this Bible. Dictionary: explains the meanings of hard words in the Bible. Maps: help kids locate

the places super heroes lived and carried out their heroic deeds.

Superman rose from popular culture--comic books, newspaper strips, radio, television, novels, and movies" but people have so embraced the character that he has now become part of folklore. This transition from popular to folk culture signals the importance of Superman to fans and to a larger American populace. Superman's story has become a myth dramatizing identity, morality, and politics. Many studies have examined the ways in which folklore has provided inspiration for other forms of culture, especially literature and cinema. In *Superman in Myth and Folklore*, Daniel Peretti explores the meaning of folklore inspired by popular culture, focusing not on the Man of Steel's origins but on the culture he has helped create. Superman provides a way to approach fundamental questions of human nature, a means of exploring humanity's relationship with divinity, an exemplar for debate about the type of hero society needs, and an articulation of the tension between the individual and the community. Through examinations of tattoos, humor, costuming, and festivals, Peretti portrays Superman as a corporate-owned intellectual property and a model for behavior, a means for expression and performance of individual identity, and the focal point for disparate members of fan communities. As fans apply Superman stories to their lives, they elevate him to a mythical status. Peretti focuses on the way these fans have internalized various aspects of the character. In doing so, he delves into the meaning of Superman and his place in American culture and demonstrates the character's staying power.

Superheroes are a force to be reckoned with. They are strong, fearless, and possess extraordinary abilities. No one is better at protecting the world and keeping order than a superhero. At least that's what Ryan thinks. What if someone far greater exists? Someone with limitless strength and power. Someone with abilities like a superhero, but better. What if God is better than a superhero? Take an exciting journey with Ryan and his mom as they explore how some of the most powerful and celebrated superheroes match up to God.

New York Times bestselling author Kelly DiPucchio and illustrator Stephanie Graegin bring a lionhearted new hero to life in this tender, sparkling story about standing up for what 's right—and finding your inner superpowers. Every day after school, Manny saves the world from formidable foes. I AM FEARLESS! I AM STRONG! I AM BRAVE! I AM POWERFUL! I AM INVINCIBLE! Zombie bears, evil cloud monsters, and alien robots with laser beam eyes are no match for Super Manny. But when Manny encounters a real-life nemesis in the school cafeteria, will he be able to summon his superhero strength to save the day?

As broad as our exponentially growing cultural fascination with caped crusaders is, it runs just as deep as this long awaited anthology underscores. Liesa Mignogna the VP, Editorial Director at Simon Pulse and editor of this anthology can expound on the virtues of Batman (her wedding was even Batman-themed) but it's her retelling of incredibly harrowing yet ultimately inspiring encounters with The Dark Knight over the years, as she struggled to coexist with the supervillains in her own family that birthed this collection. *Last Night, A Superhero Saved My Life* gives readers the chance to connect to their beloved authors, while those same authors connect to their beloved superheroes, and within that feedback loop of respect and admiration lies a stellar, and phenomenally accessible, anthology full of thrills, chills, and spills. Contributors include New York Times bestsellers Christopher Golden, Leigh Bardugo, Brad Meltzer, Neil Gaiman, Carrie Vaughn, Jodi Picoult, and Jamie Ford, as well as award-winners and mainstays like Joe R. Lansdale, Karina Cooper, and Ron Currie, Jr among many others. *Last Night, A Superhero Saved My Life's* authors share their most hilarious and most heart wrenching experiences with their chosen defender to explain why superheroes matter, what they tell us about who we are, and what they mean for our future.

Morgan Wallace is a smart nine year old comic book kid whose hyperactivity makes it difficult for him to stay focused in school and sometimes makes him feel self-conscious about being different. Then one night

during the summer before fourth grade, something happens that would cause him to find out what it is like to really be different: the rays of a meteor shower transform him into a cyborg with superpowers. When the family doctor is unable to help turn him back into a normal nine year old kid, Morgan convinces his parents to let him use his new powers as a super hero named HyperKid. During the first day of school, his primary mission immediately becomes clear: to defend the kids of West Plains Elementary from Brian Bullini, the new kid in school who also has cyborg superpowers and would become HyperKid's arch rival, BullBorg. The two quickly commence battling each other on the playground during recess and after school, but they would soon realize that they have more in common than being cyborgs, and their rivalry eventually becomes a powerful friendship. With a cast of humorous characters and hilarious scenes, HyperKid v BullBorg is ultimately an inspiring story about rising above personal obstacles and the loneliness that often accompanies the feeling of being different. It is also a story about friendship and understanding that stems from the recognition that two individuals who come from seemingly different worlds have more in common than not.

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in The Big Book of Conflict-Resolution Games delivers everything you need to make your workplace more efficient, effective, and engaged.

It's all led to this! Bane's minions have taken control of Gotham City and are ruling with an iron fist, and Batman is nowhere to be found. Instead, Flashpoint Batman is patrolling the city, dispensing a violent brand of justice. It's all building to a rebellion among the bad guys who don't want to play along with Bane! Meanwhile, Bruce Wayne is on a quest to regain his fighting spirit...Collects Batman #75-79.

8 starred reviews · Goodreads Choice Awards Best of the Best · William C. Morris Award Winner · National Book Award Longlist · Printz Honor Book · Coretta Scott King Honor Book · #1 New York Times Bestseller! "Absolutely riveting!" —Jason Reynolds "Stunning." —John Green "This story is necessary. This story is important." —Kirkus (starred review) "Heartbreakingly topical." —Publishers Weekly (starred review) "A marvel of verisimilitude." —Booklist (starred review) "A powerful, in-your-face novel." —Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in Concrete Rose, Angie Thomas's powerful prequel to The Hate U Give.
