Main article: Vincent (Don McLean song) " Vincent " is a tribute to the 19th-century Dutch painter Vincent Van Gogh. The inspiration came to McLean one morning while looking at a book about Van Gogh. As he studied a print of Van Gogh's painting The Starry Night, he realized that a song could be written about the artist through the painting.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

Don McLean is one of America's most enduring singer-songwriters and is forever associated with his classic hits 'American Pie' and 'Vincent (Starry Starry Night)'. Since first hitting the charts in 1971, Don has amassed over 40 gold and platinum records world-wide and, in 2004, was inducted into the Songwriters' Hall of Fame. His songs have been recorded by artists from every musical genre, most notably Madonna's No. 1 recording of 'American Pie' in 2000 and George Michael's version of 'The Grave' in 2003, sung in protest at the Iraq War. Don McLean is immortalized as the subject of the Roberta Flack/The Fugees No. 1 hit, ' Killing Me Softly With His Song'. The author has interviewed McLean at length about his childhood, the making of "American Pie" and his career as a singer, songwriter and performer. Says Jim Monaghan of WHDA radio, NJ: ..".Alan Howard did a terrific job in not just sharing Don's story, but revealing a personal side of Don rarely seen by the public."

(Book). Having two mega-hits ("American Pie" and "Vincent") back-to-back in the early 1970s rocketed Don McLean to international superstar status. Four decades and hundreds of original songs later, he's charted 21 singles (including five number one hits worldwide), played thousands of live concerts and sold millions of records. Universally recognized as one of America's most brilliant songwriters, his unique songs have been performed and recorded by a Who's Who of elite entertainers, including Elvis Presley, Garth Brooks, Madonna, Chet Atkins, Fred Astaire, George Michael, Eddy Arnold, Perry Como, Julio Iglesias, Josh Groban, Shirley Bassey, and many others. This deluxe hard-cover coffee-table autobiography recounts the upbringing and adventures of America's legendary singer-songwriter including the stories behind his songs "American Pie," "Vincent," "And I Love You So," and many other iconic songs that defined a generation. Jam-packed with beautiful full-color rare photos of McLean through his entire life, reproductions of album covers and hand-written lyrics, McLean's story in his own words, and much much more, this deluxe collectible edition features 382 pages which all Don McLean fans will enjoy. Each copy in this numbered edition of 1500 copies is signed personally by Don McLean. Each book is shipped in a protective case to ensure no defects.

Explores the major themes of van Gogh's paintings and his life, as well as his ties to the Impressionist movements and Art Nouveau, devoting special attention to his painting "Starry Night."

A long, long time ago lived a lonely newspaper boy. So begins the heartfelt story commemorating the fiftieth anniversary of one of the most iconic and debated songs in music history. American Pie, A Fable weaves elements and themes from Don McLean's classic song with experiences from the singer songwriter's own early years into a stunningly visual and uplifting tale for all ages. This fable reveals the emotional journey of a newspaper delivery boy in the late '50s who discovers the joy of friendship and music, eventually learning that when you recognize what truly makes you happy, you're never really alone. American Pie, A Fable is lushly illustrated (with numerous nods to American Pie's" nostalgic themes and cryptic lyrics), poetically written and a book McLean says he hopes will become a bedtime standard for families. Released in 1971, American Pie was named one of the top five songs of the century by the National Endowment for the Arts and the Recording Industry Association of America and the original recording was selected for preservation in the National Recording Registry by the Library of Congress as

Follows the painter from his boyhood in the Netherlands to his death in France, depicting his relationship with his brother Theo, his struggles to perfect his art, and his psychological and emotional difficulties.

A wildly entertaining and surprisingly educational dive into art history as you've never seen it before, from the host of the beloved ArtCurious podcast We're all familiar with the works of Claude Monet, thanks in no small part to the ubiquitous reproductions of his water lilies on umbrellas, handbags, scarves, and dorm-room posters. But did you also know that Monet and his cohort were trailblazing rebels whose works were originally deemed unbelievably ugly and vulgar? And while you probably know the tale of Vincent van Gogh's suicide, you may not be aware that there's pretty compelling evidence that the artist didn't die by his own hand but was accidentally killed--or even murdered. Or how about the fact that one of Andy Warhol's most enduring legacies involves Caroline Kennedy's moldy birthday cake and a collection of toenail clippings? ArtCurious is a colorful look at the world of art history, revealing some of the strangest, funniest, and most fascinating stories behind the world's great artists and masterpieces. Through these and other incredible, weird, and wonderful tales, ArtCurious presents an engaging look at why art history is, and continues to be, a riveting and relevant world to explore.
