Includes an excerpt from Overcoming rejection.

It's Christmas Eve and the Pigs are headed for Bean Town, but they miss their flight. Luckily, Mr. pig gets them seats on a special delivery plane. Sure, they have a few extra stops on the way, but the plane is full of holiday spirit, and the pigs have plenty of time to get to their destination before santa arrives. or so they think....

All animals are equal but some animals are more equal than others. It's just an ordinary farm - until the animals revolt. They get rid of the irresponsible farmer. The other animals are sure that life is improving, but as systems are replaced and half-truths are retold, a new hierarchy emerges . . . Orwell's tale of propaganda, power and greed has never felt more pertinent. With an exciting new cover and inside illustrations by superstar Chris Mould.

After winning a shopping spree at the local supermarket, Mrs. Pig has to figure out the value of all her goods using multiplication and addition, in this colorful picture book with mathematic concepts for young readers. Reprint.

The supernatural world is real and all around you. This book contains personal accounts of experiences both light and dark as well as insightful teachings and testimonies about angels and demons.

Originally published in hardcover in 1972, A Day No Pigs Would Die was one of the first young adult books, along with titles like The Outsiders and The Chocolate War. In it, author Robert Newton Peck weaves a story of a Vermont boyhood that is part fiction, part memoir. The result is a moving coming-of-age story that still resonates with teens today.
